**** IMPORTANT – PLEASE READ CAREFULLY****

When you register for classes you are responsible for payment of tuition and fees. If you decide not attend classes you must officially drop your classes to ensure that you will not be held responsible for tuition and fees or receive a negative grade on your transcript. If you are receiving or have applied for any type of financial assistance, scholarship or grant, then you must officially drop classes if you decide not to attend in order to not be responsible for payment. Officially dropping classes is a written process that cannot be completed by telephone or voice mail. You should keep your copy of all forms or correspondence for your records
